A background graphic consisting of a network of interconnected nodes and lines. The nodes are represented by small circles, some of which are highlighted in a light green color. The lines are thin and light gray, creating a complex web of connections. The overall color palette is soft, with light greens and purples blending into a white background.

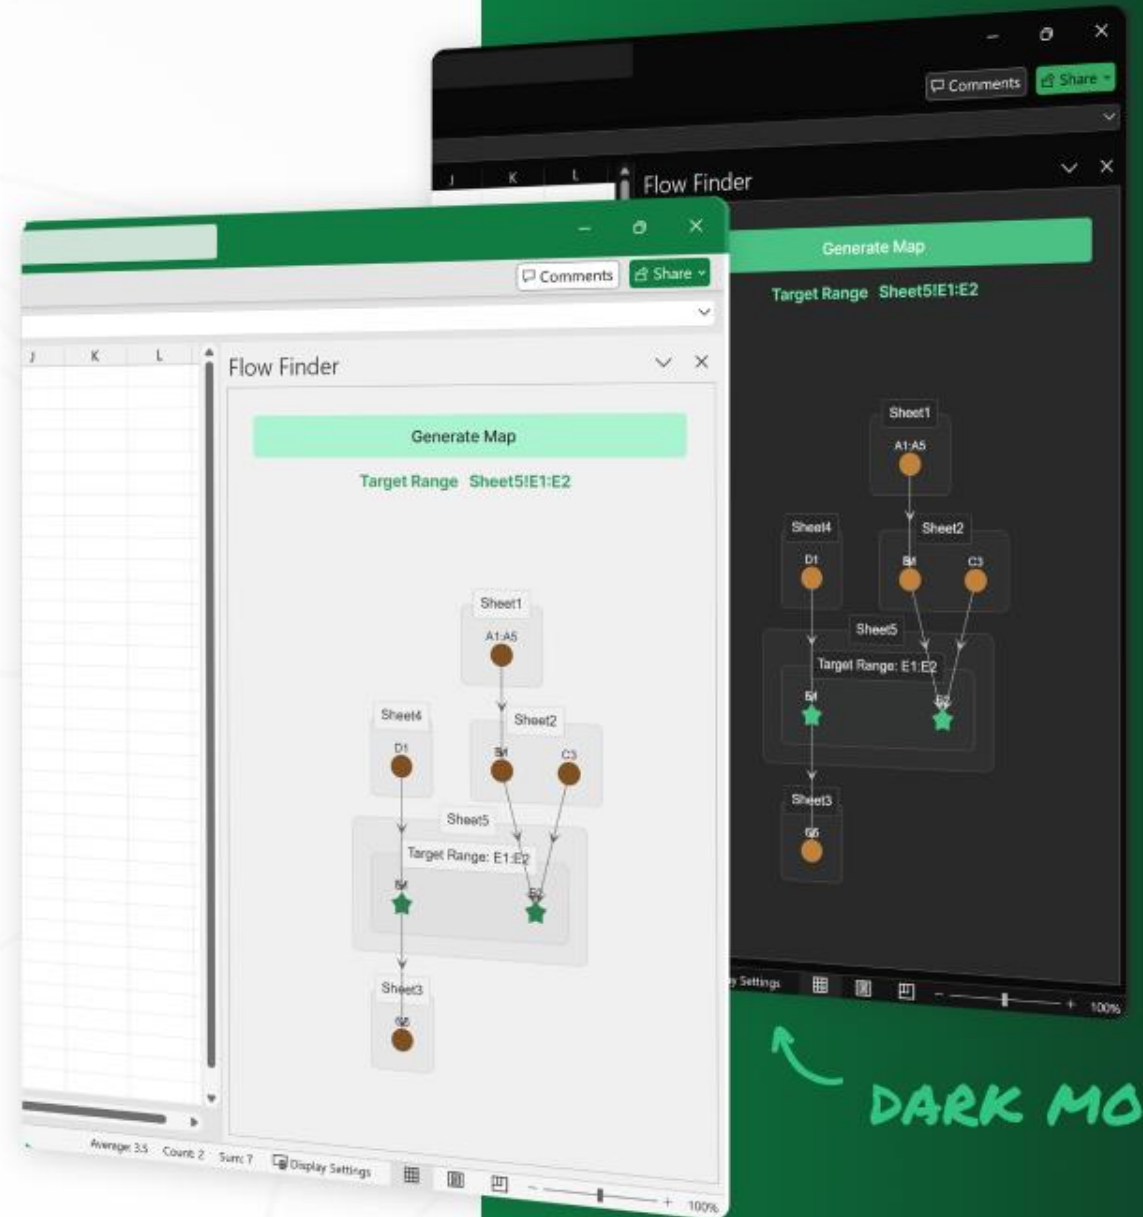

**Reliably edit and audit  
workbooks with recursive  
dependency mapping.**

Review logic flows 100x faster.

# Behold! A map of all precedents and dependents.

Never lose your place again.

Track down errors **100x faster.**
